

**VoiceAmp® Tour**  
**Portable 4" 20 Watt PA Speaker**

---

VoiceAmp® Tour is compact, powerful, and affordable. The 20-watt PA is encased in a lightweight, hand-crafted birch wood housing that creates a more natural sound. The Tour includes a user friendly, water resistant head worn microphone and can deliver crystal-clear audio up to 200 feet. Operating on a lithium polymer battery pack, the Tour can provide 10+ hours of operation and quickly recharges in just 4 to 5 hours. Hands-free presentations are made possible with the use of a waistband carry case allowing for continued use with little fatigue.
